Little Rock--Proving Ground For Commies & Red-Fronters

Grace Lorch is a nice girl, you will see from the following report. She lives at 2722 Cross St., Little Rock, just across the street from Daisy Bates, president of the NAACP in Little Rock. This woman, with Daisy Bates, was very active at Central High School coaching the 9 Negro children who were taken from a new, more modern school and forced into Central High,—typical communist tactics to stir up trouble.

The Senate Internal Security Sub-Committee held hearings in Memphis, Tenn. on Oct. 29, 1957 and Grace Lorch was subpoenaed as a witness.

The U.S. Senators wanted to give her an opportunity to show she was not a communist. She screamed and attacked the Committee and refused to answer questions.

Sen. Wm. Jenner addressed her: "You wanted to create a scene, and you have accomplished your purpose. You are trying to hide the fact you are a communist." She was a member of the board of trustees of the Samuel Adams School for Social Studies in Massachusetts. This is the Communist Party's training school, like the one in Monteagle, Tenn. She was also a very active communist organizer in the New England states for years.

As a reward for her activity in the Little Rock affair, the Communist Party brought her to New York City to be honored at a dinner.

The Emergency Civil Liberties Committee (a Jewish front) was used as a cover-up for this affair.

The Southern School News of Nashville, Tenn., in its issue of September 3rd, 1954, revealed that Mrs. Lorch and her husband tried to force their 3 children into a Negro school, and when refused, threatened to sue. Here again we have the communist race mixers in action.

The **DAILY WORKER**, official communist newspaper, of May 2, 1941, stated that Mrs. Lorch signed a petition demanding release of Earl Browder, head of the Communist Party U.S.A. During 1943, Mrs.

THE INTER-RACIAL MOVEMENT IS NOT CATCHING ON FAST ENOUGH TO SUIT THE COMMUNISTS, HENCE THE CONSTANT, RELENTLESS AGITATION

Here we have race-mixing at the Communist Training School, Monteagle, Tenn. Dancing at school would be encouraged by certain teachers and the children would not be capable of coping with the overwhelming Red propaganda aimed at them

Lorch was vice president of the Teachers Union which was run by communists.

The Communist Training School at Monteagle, Tenn., known as Highlander Folk School, was set up in 1932 by Don West and James Dombrowski. Both have long communist records.

Below are listed several who were active during the communist training period with Grace Lorch in September, 1957.

Abner Berry (Negro), member Central Committee of the Communist Party and a

writer for the Daily Worker. Rev. John B. Thompson, Chaplain of the University of Chicago; 36 communist-front citations. Don West, 18 communist citations. James A. Dombrowski—45 communist citations. Rev. Martin Luther King—The Daily Worker says King's secretary, Bayard Rustin, is a communist,—they should know!

Lee Lorch, husband of Grace, is now a professor at Philander Smith College, Little Rock, Arkansas, a Negro institution. The

Daisy Bates Of The NAACP

For a period of 23 years Daisy Bates has been arrested and jailed 5 times—a chronic troublemaker. Among the charges was "gaming" defined in Arkansas courts as gambling such as running a crap game or dice game.

New York papers recently pictured this NAACP representative with Governor and Mrs. Harriman in New York City, as the fountain-head of pressure on the Supreme Court and Little Rock.

The 48 states are gradually being run from New York by the Marxist pressure groups. This will continue until communism finally takes over, unless a sufficient number of strong courageous men and women with character stand up, name the enemy, and defy them.

The Restoration Of Russian Monarchy Only Answer To Communism In USSR

By Boris Brasol

1841 Broadway, N.Y. 23, New York

The remnants of the "free world" look upon America as the citadel of freedom and a trusty stronghold against the threat of universal communist slavery confronting mankind.

In fact, year after year the U.S. has been spending not millions but billions of dollars for the prosecution of the "cold war"—which would be more appropriate to denote as "tepid friendship"—with the "masters of deceit," aptly so nicknamed by J. Edgar Hoover; the cynical atheists, the political sharpers and professional executioners entrenched in the Red Kremlin which has already engulfed into its lethal orbit a good half of the world's population.

Immense sums are being squandered on alleged anti-communist propaganda which, however, has suffered a glaring fiasco evincing utter incompetence of its cumbersome apparatus not only within the boundaries of the Soviet Union and its satellites but in equal measure in the countries not yet crushed under the bolshevik heel. At the same time the international prestige of the U.S. has visibly begun to decline.

The reverses of the "Eisenhower doctrine" in the Near East; the pillage, burning and bombing of the American "information agencies" and consulates in Tripoli, Beirut and Algiers, and more particularly, the insulting demonstrations against the Vice President of the U.S. Mr. Nixon are proof of the tragic ineptitude of the course adopted, and stubbornly pursued, by Washington in the field of its international policies, and above all—in its approach to the Russian problem.

The diplomatic recognition of the Soviet gang by President Roosevelt was the first unmerited and unpardonable insult of the Russian people who were then enduring the mad rage of the Stalin terror.

The multi-billion "lend-lease" gifts bestowed upon the Soviet Union revealed the astounding unprincipledness of the democratic politicians who had apparently embraced Lloyd George's ugly motto: "One can trade with the cannibals."

The infamous forcible "repatriation" after World War II—with the express approval of the U.S. Supreme Command—of tens of thousands of anti-Soviet Russians who sought protection of the democratic West, and all of whom were butchered by the NKVD of "dear old Joe"—these and many other facts constituted irrefutable proof that the U.S., was waging the war not against the communists but against their deadly enemies—the Russian people.

And shall we forget the sweet "Geneva smiles" and the chummy handshakings of the American leaders with Khrushchev and Bulganin whose dirty paws are besmeared with Russian blood? And is it not strange that now, after 25 years of consistent hostile and treacherous policy of the USSR vis-a-vis the U.S., its spokesmen are again talking about "peaceful coexistence" with the murderers of the Russian people, and getting ready for a new "summit" conference with them?

Why, then, should we be surprised that both this country and elsewhere there grows wide distrust in the sincerity of American officialdom of its determination to combat the epidemical spread of the communist plague?

But the whole picture of the American would-be "anti-Soviet" propaganda appears even gloomier.

When the Voice of America, or the American Committee for Liberation, or Radio Free Europe, or any other venture subsidized by Washington, broadcast to the

Tsar Nicholas and family—murdered by the Bolsheviks (Jewish communists) USSR

population of the Soviet Union about its forthcoming "liberation" by means of the dismemberment of Russia converting her into a number of fictitious mushroom republics, thereby bitter resentment against such "liberators" is being artificially fostered among the Russian people who, forgetting their hatred of the cursed Soviet regime, are ready in the face of such a threat to sacrifice their lives for the defense of the fatherland.

When the American propaganda machine, day in and day out, is pouring calumnies and slops on the thousand-year-old historical past of Russia; when responsible American statesmen, aping irresponsible newspaper scribblers, seek to persuade the Russian people that the hideous communist aggression is but the continuation of the genuinely disinterested foreign policies of Imperial Russia; when the American Administration is persistently assuring the Russians that the Soviet terror, unheard of by reason of its gigantic scale and sadistic ferocity, is merely the concluding episode of "bloody czarism;" when in order to buttress American-born propagandists, Washington hires common-law criminals sentenced to prison terms for the assassination of Russian government officials; inept aliens trained at the expense of American taxpayers in bigotry and fanatical Russophobia separatism; the solidarist outfit impregnated with Soviet spies and secret agents, and when on top of all these—the widow of Trotsky, one of the most notorious and brutal murderers; when all these things transpire in broad daylight and in the sight of the whole free world, the latter in despair loses faith in the salutary role of America.

Yet, if this country has a chance to win be it the "cold" or the "shooting" war with the Soviet Union, it is only on condition that it will have the Russian people as its ally. But after the sad experience of WW II, the Russian people will extend their hand to the West not otherwise than after being convinced that the war is being waged for the overthrow of the Soviet tyranny, and not for the Balkanization of Russia; for the liberation of Russia's entire population, and not for inciting this or that tribe or national group against the Russian people as a whole.

This program of straightforward and real liberation must be openly proclaimed and faithfully adhered to by the U.S.

We venture to assure you that without such an honestly and vigorously pursued political course the U.S. will inevitably suffer a catastrophic Waterloo, in its ultimate

mate battle with the communist bloc.

Indeed, is it not time for the U.S. government to realize that the policy of concessions, compromises, fruitless conferences and humiliating coquetting with the Soviet barbarians has resulted in the fact that in one short decade the Soviet Union has grown into a terrific destructive force threatening to crush those few countries, including the U.S., which are still capable of opposing it?

If along the entire front of the ideological struggle America has sustained one checkmate after another, the major part of the responsibility therefore must be attributed to the silly anti-Russian propaganda allegedly conducted against the Soviets under the American Flag.

This is all the more incomprehensible as the American Administration is fully aware of the fact that practically in all the lands of the free world there dwells a numerically considerable Russian emigration which refused to submit to the Soviet hoodlums and which opposed them, first, in a fierce Civil War, and 25 years later—during World War II.

Nor is it a secret that among these Russians, who are absolutely loyal to the countries in which they have settled, there are many enlightened men and skillful specialists in all the fields of human knowledge.

Finally, the U.S. Government is well informed that thousands and thousands of Russian emigrants are heart and soul in favor of the restoration of the Russian historical statehood, i.e., the Lawful Monarchy—not because they are "reactionaries," or seeking to retrieve their property, but because they clearly comprehend that **ONLY THE RESTORATION OF ENLIGHTENED AND PEACEFUL IMPERIAL RUSSIA CAN AND WILL LIBERATE THE RUSSIAN PEOPLE FROM THE SATANIC YOKE, WILL RESTORE UNIVERSAL PEACE, AND WILL BRING ABOUT THE DISARMAMENT OF THE NATIONS WHICH AS EARLY AS 1899, WAS MAGNANIMOUSLY PROPOSED BY HIS MAJESTY EMPEROR NICHOLAS II.**

The Executive bureau of the All-Russian Monarchist Front deems it its duty to remind both the American policymakers and all the governments of the still free states that:

- 1.- the restoration of Imperial Russia will serve as a guarantee of the faithful compliance with all international treaties;
- 2.- the restoration of the lawful Mon-

archy in Russia will assure normal trade relations with all foreign countries, will open up new rich markets, and will eliminate the necessity of spending billions of dollars on armaments which fosters universal inflation and eventually must result in universal bankruptcy;

3.- the restoration of Monarchy in Russia will thus ease the intolerable burden of taxation in the U.S. as well as in other countries;

4.- the overthrow of the Soviets and the restoration of a National Russia will liberate the satellites and will automatically eradicate communist espionage;

5.- the restoration of Imperial Russia will be a death blow to Red China which, being deprived of technical and economic aid, now provided by the Soviet Union, will be compelled to abandon her aggressive industrialization ambitions that are directed against the countries of the free world.

Such, then, are the theses which should be developed in the American anti-communist propaganda, and these are precisely the salient points that are being consistently stressed in the political work of the Russian national emigration.

Furthermore, the American Administration is cognizant of the fact that the Russian anti-Soviet emigration, through its local organizations in various countries, presents now a united All-Russian Monarchist Front which recognizes GRAND DUKE WLADIMIR, the Senior member of the Romanov Dynasty, as the legitimate Heir of the Russian Throne who, in 1952, addressed an "Appeal to the Free World."

Even though all these facts are known to the American Administration, and not withstanding the communist propaganda has proved hopelessly and utterly ineffective, Washington does not deem it necessary to turn to the trusted Russian anti-Soviet emigration, old and new, which would, no doubt, address the Russian people in a language that would be understood by them, and which would fill their hearts with the hope of genuine liberation and with forgiveness of those who, during decades, have been cruelly denying them every aid to their resistance to the bloody Soviet tyranny and insulting their national dignity.

WILL USSR TAKE U.S. INTERNALLY?

By K.S. Karpus

The Soviets will not attack the U.S. merely for the sake of attacking—it would mean suicide for Russia. The Kremlin's moves are carefully calculated and executed, as proved by the 40 years of their existence. Prior to 1940, Russia's only satellite was Outer Mongolia. The Kremlin then ruled over some 200 million people of the old Muscovite empire. Today—it holds sway over 1,200 million people. While the U.S. expended hundreds of billions on foreign aid and for defense to stop the Kremlin and to fight communism—it marches on!

The Kremlin's ultimate goal is world communism, and Moscow will manage to force the U.S. to surrender without blasting the country and killing some 30 million people as some strategists predict.

But the Kremlin rulers will decide to move only when our native Reds are fully prepared to take the government over from within. In that event, Italy, Turkey, Greece, France, England, West Germany and all the weaker nations will then fall under communism.

They expect to take the U.S. in one piece. Following the Kremlin's long-range program, Russia will resort to blackmailing to force the U.S. to abandon its foreign bases, and to install Reds in Cabinet posts as an indication of our good faith—a plot that helped Russia win without resorting to wars.

Anti-Semitism In Soviet Union

Many times during publication, COMMON SENSE has published facts and figures which cannot be denied, showing that the Jews set up communism in Russia in 1917 and directed it entirely up to 1953 (36 years). Then the Zionist Jews began to transfer their activities from the Soviet Union to Israel, which had been set up and recognized by President Harry S. Truman on May 15th, 1948.

In 1953 the Russian communists were tiring of Jewish rule and began trying to maneuver them out of complete control. At first they were only aggressive against Zionists and actually hung a number of them in Czechoslovakia, and Beria and his crowd in Russia.

Many Jews are in the communist party at the present time in the Soviet Union, Hungary and East Germany, such as Hilda Benjamin who is a top judge, and Gerhardt Eisler who was in charge of espionage here in the U.S. for 12 years and is now propaganda Minister for East Germany.

Jews are still a force in the Secret Police in the Soviet Union as well as its satellites, hence it is easy to understand the Russian and all other suppressed people's hatred for Jews as is disclosed in the following article by a well-known Jewish author.

The Jewish World, London—June 29th, 1922—page 5

"Not only in revolutionary circles, but even in the Red Army, anti-Semitism is so strong that only the iron discipline imposed by the Bolsheviks and the fear of capital punishment restrains the Red soldiers and the women from starting pogroms everywhere... Everyone in Russia, peasants, soldiers, women, citizens of the town, hate the Jews... All Jews in Russia are of the same opinion—that the fall of the Soviet government and the transfer of power into other hands would be the greatest calamity imaginable for the Jews. The flame of anti-Semitism burns stronger today in Russia than ever before. And the slightest quiver of the Bolshevik regime will mean death to the Jews."

No Holds Barred

THE BEN HECHT SHOW
on WABC-TV Channel 7

Ben Hecht (Zionist)

The advertisement in the N.Y. Journal American of Sept. 16th is headed NO HOLDS BARRED which we hope is a challenge to Common Sense.

Christians need to know something of this Zionist who calls for Christian blood then sneaks into your home via TV to corrupt the minds of your children. Following we give a few notes from our file on this anti-Christian brainwasher who should be driven off the air waves.

In Ben Hecht's book, A JEW IN LOVE, you find on page 120: "One of the finest things ever done by the mob was the Crucifixion of Christ. Intellectually it was a splendid gesture. But trust the mob to bungle. If I'd had charge of executing Christ I'd have handled it differently. You see, what I'd have done was had him shipped to Rome and fed to the lions. They never could have made a Savior out of mincemeat."

During the time the Jews were forcing England to withdraw from Palestine, and the Israeli terrorists bombed the King David Hotel with 66 dead, 43 missing and 47 injured, Ben Hecht had this to say in an advertisement addressed "to the terrorists of Palestine" as published in the N.Y. Herald Tribune of May 15, 1947: "Every time you blow up a British arsenal, or wreck a British jail, or send a British railroad sky high, or rob a British bank or let go with guns and bombs at the British betrayers and invaders of your homeland, the Jews of America make a holiday in their hearts."

The N.Y. Journal American, Sept. 24, 1948, reported a statement of Ben Hecht in connection with the assassination of Count Folke Bernadotte who was selected by the U.N. as arbitrator between Israel and the Arabs, as "that of an ass who was not worthy of so fine a death." The article also stated Hecht was "guiding force" in inciting Jewish terrorism as the author of paid advertisements urging violence in the Holy Land.

Fred Whitbeck, V.P. in charge of advertising at MGM studios declared in a speech before 300 members of the Publicists Guild in the Hollywood Roosevelt Hotel that Ben Hecht, author, has been dishing out "rotten, shameful, bitter slop."

This is the individual who is coming into your home via TV. He was run off the air in California. How long will he last in New York? It's up to you. Protest to the sponsors.

J. Edgar Hoover & Masters Of Deceit

The following letter commenting on Mr. Hoover's book **MASTERS OF DECEIT** was received by us anonymously and we publish it for what it is worth:

"...The whitewash was not originally his work. It was interpolated by someone else in the process of either proof reading or reviewing and was not detected until either the work was ready for publication or was actually off the press.

When called to his attention he was faced with the task of repudiating it or letting it stand in the hope that no one would notice it.

At first he was for repudiating it but pressure was brought upon him and he was threatened with all sorts of consequences. Being appointive he could easily be fired, deprived of pension rights etc. and so, a la Lawton Collins, Zwicker etc., he just 'clammed up' and I just suppose he will remain 'clammed up.' Obviously, that makes the whole book worthless as well as anything further he should publish and certainly reflects unfavorably upon him and the Department hitherto so highly regarded.

Scripture at this time could well be repeated in the query to Our Lord "Wilt Thou at this time restore the kingdom to Israel?" and addressed to **IKE**. When Hungarian Catholics and Protestants were slaughtered he ignored the appeals of Cardinal Mindzenty but he acted on the jump upon appeal from the Pharisees."

What Price Integration?

Here is an authoritative book which deals with the known effect of racial integration in the schools and in social life. The author has interviewed some 50,000 Negroes in the course of his daily work and has acquired a rather intimate knowledge of the race.

Without emotion,, he piles up his evidence taken from science, from history, from statistics, and from his own experience, and then proceeds with inescapable logic to his conclusions. Nowhere else will you find as many hard facts about the social and biological aspects of the racial problem as you will find here.

With the exception of South Africa, Israel is Christianity's (?) last outpost on the Afro-Asian Continent, declared Professor M. (for Meyer?) Sworn testimony in Washington has identified Lee Lorch as a communist. He has also been vice president of the NAACP for Tennessee for years. Lee Lorch took the Fifth Amendment when asked if he were a communist before the Congressional Committee on Un-American Activities on Sept. 15, 1954.

FROM A NEGRO WHO KNOWS THE TRUTH ABOUT THE NAACP

Sept. 29, 1958

Dear Mr. McGinley:

The American people are going to feel pretty silly when, and if, they wake up to the fact that they have been hood-winked and flimflammed into believing that the NAACP is a NEGRO organization.

It is amazing, and certainly no credit to the intelligence of the people, that a small bunch of foreign-born and communists have so successfully deceived one hundred and fifty million Americans as to the REAL identity of the NAACP, which is the source of most of our domestic troubles today.

If you think the NAACP is a Negro organization, you should have your skull bored to let the saw-dust out.

Sincerely

A. Edwards

FROM A CALIFORNIA ATTORNEY

Sept. 23, 1958

Gentlemen:

You are doing a wonderful work. Keep it up! The seed you have sown over the years will eventually sprout in a revival of patriotism which will sweep the traitors into the ocean.

When the rest of us start matching your example with deeds instead of words, with concrete action instead of viewing with dismay, the nemesis of the anti-Christ will arrive wielding a club which will not be stuffed.

FROM A WASHINGTON, D.C. OFFICIAL

Aug. 2, 1958

Dear Conde McGinley:

You wage a fine fight—better every year as means and experience are afforded you. I enclose contribution.

Government inhibitions prevent me writing all I think in your praise and for your encouragement.

Americans MAY NOT wake up until some untoward tragedy kicks them in the face. They are so busy with **The Job, The Home, The Church, The Family, The Few Hours Of Leisure And Rest From Work.**

Roosevelt's New Dealers and thousands of queers still infiltrate our Government Offices by virtue of Civil Service protections. The New Order takes advantage of the Old Order. It was strange to Americans—who are not yet awake.

PUBLICATION is the main means to expose, to reveal, to clarify, to inform and educate. YOU of many thousands of editors are the ONLY ONE TO PINPOINT THE CRUEL CRAFTY CORRUPT JEWS (not all of course) IN THE CRIMES, GOD BLESS YOU FOR THAT—and for the data you alone provide.

Senator Eastland last week reported his survey of Supreme Court decisions mostly ANTI-Commie till 1942 and mostly PRO-Commie AFTER Roosevelt's pets, Black, Douglas, Frankfurter got going and Warren came in.

Sincerely,

E.D.
